Regular Meetings – 7.30pm
1st and 3rd Tuesdays – September to April

Tuesday 2nd March 2010

One of the things that we are trying to do in No XII is to stimulate interest in our Regular Meetings by ringing the changes a little. The next Regular Meeting will be an Exemplification of an Entering and it will be a Past Masters degree. However, this is an Exemplification with a difference and it's not the usual Past Masters degree! It will involve not just Past Masters of No XII but also some from

other lodges in the Province. Those who are taking part have been invited by Past Master Bro Iain White who has been asked by RWM Bro Arthur Young to take the Chair for the evening. Each visiting Past Master has been asked for a very special reason by Bro Iain and he will tell the story behind each invitation during the degree. We shall have the First Degree Tracing Board delivered, not something

that happens at every First. Also, the mode and manner lecture will be included and this is not part of the ritual at No XII. All in all, it promises to be an interesting night. It will all be rounded off by the usual No XII hospitality.

Annual Divine Service

Our own Past Master, Bro Jack Glenly, led us in worship at the Annual Divine Service on Tuesday 16th February. It was a very uplifting ceremony attended by the biggest number of members of No XII yet this session. Large deputations of visiting brethren and from the Provincial Grand Lodge of Renfrewshire West joined us. Bro Jack's sermon on 'The Potter's Wheel' allowed us all to reflect upon the future of the lodge and provided spiritual guidance for us. The collection is to be donated to the Ardgowan Hospice.
